

My School Prayer Worksheet

Many people make school a safe place for children like me to learn and grow. We **PRAY** for them, thanking **GOD** for their **caring work** and for **all they do** to help us grow.

Fill in as many names as you know - check your school website or write down names at school - so that we can pray for them this week and throughout the year.

Parents - please bring this sheet to church on Sunday, August 16; take a picture of it and text it to Pastor Chris; or, use the form on the church website, under **NEWS**, to submit these names. Thank you!
